CA BCE has no other information in their files except the following page.

Robert C. Jackson, DC has graciously shared the information he has obtained regarding this college. That is to be found in the Adobe file: SinclairCoC_Jackson.pdf

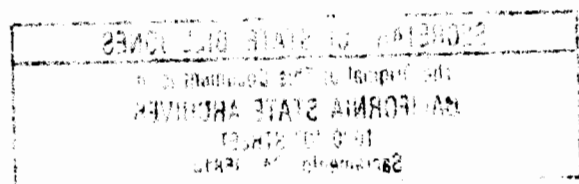

SINCLAIR COLLEGE OF CHIROPRACTIC

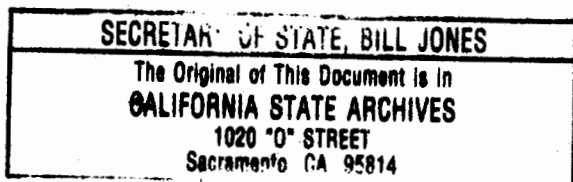

CAL - 22

The Sinclair College of Chiropractic Charter was incorporated 1900 and closed approximately in 1912.

In accordance with Section 8 of the Chiropractic Act it was mandatory that the Board take doctors of chiropractic who were practicing one year prior to the amendment of the Act in 1922.

Under this section many doctors were accepted for examination whose schools were closed even before the law was effective.

Dear Doctor Brian:

RE: [REDACTED]

I'm enclosing copies of my entire file on said school for you. Further, in reviewing the first 283 licenses issued by the first BCE for those who were arrested-jailed, then took the licensing exams, no one from this school is identified as being a Sinclair graduate, save only one much later. In the BCE first Directory they list names but no schools graduated from, so without my list its difficult to tell if any graduated from Sinclair and were licensed.

About Dr. Carl Schultz - I told you in the 1926 Directory there is a Lolle D. Schultz in LA with Lic. #81, a PSC grad. Dr. Carl's wife's name was Ellen, so is Lolle his sister or daughter? In the few early BCE Directories I have never found Dr. Carl as having a DC lic.

For further data on the Naturopaths in CA, write for the following at Sect. State Archives -

- 1952 BCE Directory, pp 222-227.
- Reports of Assembly Interim Committee on Public Health, 1955-57; Vol. 9, No. 7 of Vol. 2 of Appendix to Journal of Assembly Regular Session 1957, pp 4-21.

Feel free to use any of the above, I have no intentions of using any of this in an article. Trust this will be of some help to you.

Regards,

Dr. Robert B. Jackson - Rt. 1, Box 411, A-5 - Jones, OK 73049

Dr. Jackson:

I tried the Santa Rosa Polk's for 1904, 1908, 1910, 1913, 1915 and 1926. There were no listings for a Sinclair College of Chiropractic under Sinclair, College or Chiropractic. Under Sinclair I did find a Neil Sinclair, Chiropractor, and I photocopied all the times it showed up. Notice each is a different address. Also notice the big ad for him on the right-hand side of the 1910 page. In the classified part, he was the only listing in 1910, there were no listings in 1913, even though he is listed in the alphabetical section, and in 1926 there were many listings but not his. There were no listings for chiropractors in any other years.

These are the only dates we have close to the 1905-1912 time period you gave me. This doesn't seem like much, but I hope it helps somehow.

Sincerely,

Bonnie Moon

Dear Bonnie:

On January 7, 1991, you responded to my request for information on a SINCLAIR COLLEGE OF CHIROPRACTIC, supposedly chartered and in operation in Santa Rosa from 1900-1926. You furnished copies from the 1909-10 and 1913 Polk Directories, showing only the name of a Dr. Neil Sinclair.

I have just learned, this College may have existed in 1939. Would you search a Directory or phone book for that year and copy anything on said College, or Dr. Neil Sinclair for me. And, the 1900 Polk Directory. I have enclosed a self-addressed stamped envelope for your response. This should put to rest the question, did this college actually exist?

Thank you for your assistance.

Sincerely,

Robert B. Jackson

Dr. Robert B. Jackson

Dear Dr. Jackson:

Encl: S/A envelope

Last year I went through 30 yrs worth of city directories & I believe I told you I was sending copies of the only possible mentions of Sinclair. There is no 1900 directory, only 1905, and it has nothing, the same as the last time I looked. I have now been through all up thru 1947, and there is still no mention of anything or anyone that could even remotely be possible. The earliest phone book is 1941, and it has nothing at all. We have no leads for the college or the man in any directories. Bonnie Moon

Dear Dr. Jackson:

As you request your California license number 7780 will be listed as "Voluntary Forfeiture". You may reinstate the license at any time by paying twice the annual renewal fee and submitting proof of twelve hours of approved continuing education credit.

With respect to your request to borrow the "1925 Directory of the State Board of Chiropractic Examiners", I am reluctant to take that liberty with historical (& irreplaceable) property belonging to the State of California and the Board. As much as I trust you and truly believe that you would return the volume, there would be risks in transit, and I believe it would constitute a liberty beyond my authority.

I am providing you with photocopies of the 1926 Directory (there are none prior) and the 1924 Rules of Procedure. I have reviewed the Directories up to 1946 (that is the first Directory containing the list of chiropractic schools and colleges). Sinclair Chiropractic College is listed on the college list; however, I looked through the first 9-10 pages of the directory and found no listing for a Sinclair graduate.

As you know, the directories are currently available in the Board office, and so long as we have them you are welcome here to review them. There is some question whether they should be sent to State Archives as Historical documents. If they are sent to State Archives you would have to go through their process to retrieve the information.

I regret that I cannot comply with your request but I hope the enclosed photocopies will be of some benefit to you.

Sincerely,
BOARD OF CHIROPRACTIC Examiners

Dear Lady Vivian:

Your letter of the 14th, with enclosures arrived this day, I'm grateful for this information and to 'hear' from you. I've missed working with you and the Board.

After 40 years, I was reluctant to drop my license, but being retired and out of State and no plans to practice again, I thought it best.

I can appreciate your position and views on original Board documents and that the mail is fallible. I also know that you and your Staff are very busy and do not have time to do research for every person who requests past information from you. And, if I may, ask for a copy of both the 1946 and 1949 Directories. I have enclosed a check, hopefully sufficient to cover all photo copy costs? If not, please inform me and I shall remit any balance.

As for the Sinclair College in Santa Rosa: Cal. 22 - Archives of the Secretary of State's Office in 1990, could not find any papers on this school. I was able to get 38 schools Charter & amendment papers, up thru 1973. Even with an early Directory statement about Sinclair being Chartered 1900-1912; the Sanoma County Library, with Santa Rosa Directories and phone books has no listing for such a school during 1900-1947. There was a Neil Sinclair listed in the Polk Directory - 1909-10, page 149 - as a Cancer Doctor and Chiropractor, his office listed on page 406. In 1913 he is again listed but with a different address in Santa Rosa. The 1926 Polk Directory lists him at a residence only, now in Sebastopol; page 453 listing Chiropractors, he is not listed. I appreciate you having searched the first 9-10 pages of the 1946 Directory, if I had copies of the 1946 and 1949 Directories, I could search the entire listings. I'm sure there will be no such listing, but if the earlier Board Directories listed the College and gave it No. 22, then I must search to rule one way or the other, for sure. Since I can not come there to search, I would appreciate the copies so I may search here. This should put this question to rest. There are some Chiro. historians who believe this school was one started by 'Old-Dad', D. D. Palmer in 1902/03? I don't know if D. D. taught Neil Sinclair or where he

received his training, if any. If D. D. did start this school with Sinclair, I'm sure the curriculum would not have satisfied the first BCE so they could accept any graduates with applications for licensure in 1923-26, before the first BCE was declared 'unauthorized' to exercise power by the State Supreme Court. The first BCE did legally license, themselves plus 247 doctors; they set a formula for acceptance to examinations, 1) those who had been arrested & jailed, 2) those who were on the State wide Campaign Committee for the Initiative, 3) those who had been licensed in other States by Reciprocity, 4) all other applicants who met the educational criteria set down in the Initiative and the schools approved by the BCE.

In my request for copies of documents, there is that long-black Ledger Book containing 'Minutes' of the first BCE and more. May I have copies from page 1 up thru the end of 1930. This will help my search for any criteria the early Boards used to approve schools. The minutes may also explain the recognition of the 'Gillespie Institute', the 'Dallas Chiro. Col.'; especially since a 'Gillespie' who was trained as a DC, took extra training and passed the Medical Board's examination for a 'Drugless Practitioner' license before we had a BCE, and it was he who brought the 'Quo Warranto' proceedings against the first BCE, that resulted in a series of Court Cases to the State Supreme Court, that ousted the first BCE prematurely. Since there is no paper trail on this listed school in 1990, I wonder how it got listed? One more for me to check upon.

I trust this request for copies of these three BCE original documents may be fulfilled, when someone has a few extra minutes. I do not foresee any future request, this should suffice.

Again, I am most grateful for your assistance in this matter. I'm glad you were finally able to move into newer quarters, the old ones were very cramped, but functionable. Are the boxes of stored Doctors files that used to be in the basement of the old building anymore accessible and safer now for researching? Are the boxes of files indexed and cataloged or are they just stacked in a different location, unmarked? If they are safe, accessible, indexed, I would like to talk my son, Dr. Tim, to come and search for his Grandfather's file, if possible? Reason, we would like to know what school he graduated from, in Los Angeles in 1919. He also did a correspondence course either at the National Chiropractic School or the American University, both in Chicago. His texts were from the National School, altho in the 1926 Directory I believe he is listed as a grad. of the American School.

Most Sincerely,
Robert B. Jackson

SINCLAIR COLLEGE OF CHIROPRACTIC

CAL - 22

The Sinclair College of Chiropractic Charter was incorporated 1900 and closed approximately in 1912.

In accordance with Section 8 of the Chiropractic Act it was mandatory that the Board take doctors of chiropractic who were practicing one year prior to the amendment of the Act in 1922.

Under this section many doctors were accepted for examination whose schools were closed even before the law was effective.
